Dear Friends of the Girl Child in Kenya:

On behalf of **Mercy Center Foundation, USA**, we are pleased to invite you to become a corporate sponsor for our 6th annual race, this year to include both a 5K and a 10K, to be held on the morning of **Saturday, April 27, 2019**, at **Fletcher's Cove, 4940 Canal Road NW, Washington DC**.

We are proud to have continued sponsorships from Georgetown Running Company and Safety and Health Foundation, and we welcome a host of new sponsors this year. We expect 250 registrants for our 2019 races.

All net proceeds from this year's race help us to finish building a science lab at Mercy Girls Secondary School in Lare, Kenya, providing a learning environment for the 400+ girls attending the school. Without our help, girls in Kenya are vulnerable to trafficking, child prostitution, early forced marriages, and a life with limited opportunities.

For complete information about the races, please see
